1972 – Opened doors as an independent travel agency with one employee, in the sleepy Civil War city of Fredericksburg, VA.

1991 – One of the first travel agencies to install an automated low-fare audit quality assurance system.

1982 – Pioneer in providing travel management for official government travel.

1983 – Co-founded the Society of Government Travel Professionals as a non-profit forum focused on managing government travel.

First Omega Office
Fredericksburg, VA

- Dedicated Division
- Technology Solutions
- Planning and Registration
- Meetings Web Site Development
- Contract Negotiations
- Small Meetings Technology
- Incentive Travel
- Decision Analytics

GOVERNMENT As one of the first travel management companies to provide travel services to the government, Omega continues to effectively customize solutions to meet many and varied requirements. Our goal is to ensure successful missions for each and every civilian government and military traveler.

- GSA and DoD Provider Since 1982
- Provider to Government and Military Contractors
- Dedicated Government Travel Consultants
- Data Services/Decision Analytics
- Security Protocols for Facility and Data Management

LEISURE PROGRAMS Omega is a leader in the retail travel internet marketplace. Cruise.com, a wholly-owned subsidiary of Omega, is one of the largest sellers of cruises on the internet. In addition, our other sites, AirDeals.com, MilitaryVacationDiscounts.com and TripDeals.com provide low cost, quality vacation products.

- Customized leisure programs for corporate customers
- Cruise.com - extensive, rich content with low prices
- AirDeals.com - low cost choices for international travel
- MilitaryVacationDiscounts.com - special rates for active & retired military
- TripDeals.com - discount travel packages
- Vacation packages and tours
- Preferred vendors for greater savings
- Luxury tour groups

2001 – Introduced TravTech, Omega's wholly-owned travel technology company.

2004 – Introduced security tracking systems for tracking travelers worldwide

2009 – Omega fosters partnerships with T&E providers for complete end-to-end solutions.

1998 – Introduced Cruise.com, now one of the internet's largest cruise specialists.

2007 – Opened affiliate office in Kuwait to complement our operations in Bahrain, expanding our global reach to service the growing need in the Middle East.

Service Excellence is Our Mission . . .

We strive to achieve the unexpected
To prosper unselfishly
To lead by innovation
To learn continuously
To build through teamwork
To foster a positive attitude
and to respect one another

. . . this is a Mission Possible
